**NOTICE REGARDING UNDERGRADUATE (UG) STUDENTS HOSTEL
ACCOMMODATION**

Date: 02/09/2022

To

The Directorate of Medical Education and Research (DMER)

Subject: Non-availability of Hostel facility for accommodating Undergraduate (UG) [MBBS, BOTH, BPTH, BPMT & DMLT] students for the academic year 2022-2023 (new admission)

Sir

I would like to inform you that, due to the increase in number of UG (MBBS) seats from the academic year 2019-2020 all the hostels of Seth GS Medical College are occupied. Our hostel wardens tried their best to search new avenues for accommodating UG students for the past One year. But, in spite of their best efforts, we could not find any accommodation facility in the nearby areas.

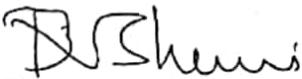

We have planned for constructing new hostel buildings, but it will take time before the new hostels are ready. So, under the current circumstances we are not in a position for providing hostel accommodation facility to all the First Year UG [MBBS] students and all academic years of other paramedical UG courses [BOTH, BPTH, BPMT & DMLT] who will be admitted in the academic year 2022-2023.

I request you to please make a note of this and kindly put the circular about non-availability of hostel facility at Seth GS Medical College and KEM Hospital, Parel, Mumbai for the new admission (2022-2023 batch) on the DMER website in advance.

This is for your kind information and necessary action

Thanking you.

Sincerely

Dean 2.9.2022
