

27<sup>th</sup> February 2023

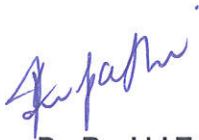

Dear investigators,

Kindly note that IEC has already issued a circular on 6<sup>th</sup> January 2023 regarding **discontinuation of e-EC Software** and all the projects should be submitted directly to IEC office.

It is observed that still some students are submitting their projects using this e-EC software. As the software is already discontinued, **IEC will not be able to review the projects uploaded on e-EC software and is not responsible delay in processing these projects.**

Thanking you,

Sincerely yours,

**Dr. Raakhi Tripathi,  
Member Secretary,  
IEC-I.**

**Dr. Priyanka Prasad,  
Member Secretary,  
IEC-II.**

**Dr. Swapna Kanade  
Member Secretary,  
IEC-III.**
